

## **Post Retirement Hours and Income waived for 2022 for Superannuation Retirees.**

On June 10, 2022, Governor Charlie Baker signed into law H4456 that waives both the hour and income restrictions on retirees who are in public service employment during 2022. It became Chapter 80 of the Acts of 2022.

Please keep in mind that this applies to only retirees who retired under a superannuation retirement and is retroactive back to January 1, 2022. This waiver is **not** applicable to anyone who retired under a disability retirement.

The law is effective for Calendar Year 2022 Massachusetts public service and will remain in place until December 31, 2022 or up to 90 days following the end of the declared Public Health Emergency, whichever occurs first.
